

## Lawn Care Supervisor

**Job Description:** Lawn Care Supervisor

**Location:** Allison Park, PA

**Shift:** Daylight with overtime as needed

**Direct Reports:** Lawn Care Crew Member(s)

### **Summary Description:**

As the leader on the front line of our operation, the Lawn Care Supervisor is a critical part of our leadership team! You will have the freedom to build your team and give them daily, hands-on direction to ensure successful completion of work for our residential and commercial maintenance contracts. Your team will have the ability to turn our first-time clients into life-long relationships through the quality and professionalism of your performance as well as your positive attitude. This is an entry level leadership role in a growing organization that recognizes and rewards talent through the potential for job growth and promotional opportunities.

Specifically, your team is responsible for providing year-round property maintenance, including mowing & turf management, seasonal cleanups, seasonal color installation, bed maintenance and snow removal. Our staff is responsible for ensuring the highest quality service that our clients have come to expect from J. Fries Landscape & Design since 2003.

### **Duties and Responsibilities:**

As a Crew Supervisor, you will be responsible for ensuring your team successfully provides seasonal lawn care and other services, including, but not limited to:

- Weekly mowing with commercial lawn care equipment.
- Trimming, edging, weeding, mulching & other detail work using powered equipment.
- Leaf cleanups, pruning & basic plant care service.
- Snow removal, including shoveling and application of snow melting products.
- Scheduled cleaning and maintenance of crew trucks and equipment as well as, office grounds and garage.
- Other job duties as assigned.

### **The Ideal Candidate:**

- Has a positive and respectful attitude in all communications
- Does the right thing even when no one is looking. Is honest and has integrity.
- Has an internal sense of drive and motivation
- Is safety oriented
- Pays strong attention to detail and possesses the ability to complete a job 100% leaving no loose ends.
- Enjoys working outside with their hands
- Is motivated internally and has a strong sense of urgency
- Works well as part of a team and respects direction from leadership.
- Is an excellent problem solver and decision maker. Is outgoing and sees solutions instead of problems
- Has a hunger to continuously learn and improve.

**Working Conditions:**

The physical environment requires the Lawn Care Supervisor to work both inside and outside in heat/cold, wet/humid, dry/arid and dusty conditions. May be frequently exposed to heights and uneven surfaces. Lawn Care Supervisors are required to use personal protective equipment as environmental conditions dictate.

**Salary Description:**

\$24-\$30/hour
